

Responsar[®]

Responsar is back!

An insecticide for management of
mosquitoes, house flies and cockroaches.

- ✓ Quick Knockdown
- ✓ Broad Spectrum
- ✓ Odourless

ACTIVE INGREDIENT

Beta Cyfluthrin 2.45% SC

RECOMMENDED USES

Responsar has broad spectrum activity and is especially useful for management of insect pests like house flies, cockroaches and mosquitoes.

MODE OF ACTION

Stomach and contact poison having rapid knockdown effect. Insect's peripheral nervous system is affected and death occurs soon after central nervous system is impacted.

BENEFITS

- All in-one solution for everyday household pest control.
- Better residual performance on various surfaces.
- No organic solvents hence very low odour.
- HACCP certified

DOSAGE

Dilute 20 ml of Responsar in 1 litre of water and spray the solution uniformly over 20 sq. meter of porous surfaces or 40 sq. meter of non-porous surfaces.

CAUTION

Not to be used on crops or used for purposes other than specified on this label/ leaflet.

ANTIDOTE

There is no known specific antidote. Follow attached directions. Treat symptomatically.

PACKS

1 litre
